THE IPU REFORM PROCESS

Dear Mr. Forsberg,

I would like to thank you for your contribution to the deliberations of the working group that met this week to discuss the IPU reform process. I am pleased to attach a paper setting out the conclusions and recommendations of this group.

This document will also be sent to the members of the Executive Committee, the leaders of the six IPU Geopolitical Groups and the entire IPU membership. It is my hope that the Governing Council will approve the Group's recommendations at its session in Geneva in October. The requisite amendments to the Statutes and Rules could then be prepared in time for adoption in Bangkok in May 2007.

With kind regards, I remain,

Yours sincerely,

Pier Ferdinando Casini
